

ECOVOYAGEUR TEACHER GUIDE STUDENT BOOK

Credits

EcoVoyageurs, Reducing Our Ecological Footprints

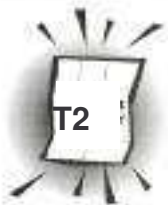

Gr. 6 - 8
Sc/SS/LA/Math/Art

EcoVoyageurs is a thoroughly tested, integrated curriculum for 5—15 hours teaching at a grade 6—8 level. It is based on the "Ecological Footprint", a tool for planning toward sustainability. Activities in this curriculum touch arts, science, math, social studies and language arts.

All the essential materials, including the TEACHER'S GUIDE with the class preparations, answer sheets and extensions; the STUDENT BOOK, an AUDIOTAPE and the CLASSROOM POSTERS are included. We wish you happy teaching and some pleasant surprises...
